RE: FOIA Request No. F-11-00080

Dear Mr. Pelton:

The USPTO FOIA Office is in receipt of your March 29, 2011 inquiry claiming that comments or documents from the following persons were provided in part, but appear to be incomplete or missing pages or attachments:

As a result of another review of the responsive documents, the FOIA Office encloses information found in response to Mr. Jackson, Mr. Busche, and the Intel Corporation. With respect to any documents relating to Mr. Brian Brown, no other documents were found.

On April 8, 2011, the FOIA Office requested that you provide " a copy of the Brian Brown email you mentioned" so that the Office could better identify the material in question. To date, the Office has not received a copy of the referenced-to email. In order to expedite the search for any missing documents, kindly provide the Office with a copy of the referenced-to email as soon as practicable.

Sincerely,
